

Fall Recruit 2020: Student Opportunities and Events

The below document has been compiled by CPABC to facilitate discussion between students and public accounting firms taking part in the Fall Recruit 2020 period. It highlights events and engagement opportunities available with campuses closed.

The list is not exhaustive and other firms not listed may have additional events. Students should be proactive, research and connect with those employers they are interested in working for.

All events listed are open to all, unless otherwise stated. Students should connect with their Career Centre and relevant student clubs to find out about additional events specific to their campus

CPABC is not responsible for any of the events listed. Queries regarding the below events should be directed to the employer offering the opportunity.
