Did you know that Disability (mental or physical) contribute to 40% of claims in the Harassment & Discrimination tribunal

What is discrimination? Membership in one of those categories, restriction about one of the categories and there must be a link between them.

What is Harassment? Verbal aggression, humiliation and intimidation.

No Questions

### 1.3 A Word from Connie Evans

Josephine introduces Connie Evans. Connie helps all 32 Health Sciences programs work together at BCIT. The more integration in Health Care the more effective health care is. Connie uses scenario '...on a tropical island'; what would the team bring (strengths) to the scenario. Inter-professional team knows what is expected of them and using skills that can brought to the team; leadership is facilitated not controlled.

How to become more involved? Talk to Josephine and Connie: Get out of your comfort zone & stretch yourself
