31.7 Frequent issues regarding gym temperature

- Students still find the temperature in the gym to be unpleasant
- Maintenance has agreed to look into the matter and rectify it at the latest
- Follow up in a week's time

31.8 Traffic conditions on July 9th

31.8.1 Opening of the McArthurGlen Designer Outlet Vancouver Airport on Thursday, July 9.

- Increase in vehicle traffic to Sea Island during the first several weekends of operation (Thursdays to Sundays, during store hours), and have a comprehensive transportation plan in place.
- The plan includes alternate routes, additional parking locations and the use of shuttles to minimize operational impact and maintain the safety of everyone on Sea Island.

31.8.2 Tips for BCIT Aerospace faculty, employees and students:

- Anticipate extra congestion on our main roadways (including Russ Baker Way) and leave extra time to get to and from the campus - particularly during peak weekend days.
- Please observe posted signage and follow instructions of traffic management personnel if driving on Sea Island.
- We encourage shoppers to consider taking Canada Line to the Designer Outlet Centre, as parking will be very limited. The Designer Outlet Centre is a four-minute walk from Canada Line Templeton Station.

31.9 Progress on the Patio construction

- Due to be completed on July 20th.

31.10 Round Table:

- Classroom '266' temperature → 25 degrees

Chantel will make an official request to lower the temperature.
