- 5. Boat Cruise**

**Christian calls the meeting to order at 5:40pm**

**1. Elections Reminder**

- Campaign period now open
- Between April 23 – 27 students can vote in my.bcit account

**2. Distinguished set rep award**

- Nomination forms have gone out
- Prize = \$500

**3. Group activity**

- Christian splits the group into smaller groups to discuss
  - o What are some issues that we've dealt with this year that should be continued to next year?
    - Problem after midterm, the average was 52% and we talked to advocacy and she promised us to take action and maybe put another project to make our grades better. Program head recognized constructive criticism and realized that the tests weren't compatible with what was being taught.
      - More students speak on issues with average % of students grades on midterms and tests
    - Idea for getting votes from students on things like translink – to get students to vote some representatives could be in hallways with ipads for students to vote and get their voice heard.
      - Christian mentions there will be booths set up for voting period next week

- Better communication between different schools
- Don't like what is happening with library. There is no quiet room and now it's just an inaccessible room for students to use
- If someone is caught plagiarizing on a group report, are we supposed to catch that before hand, or will the teacher be able to notice if we plagiarized or not.

#### **4. Open Forum**

Christian hands out feedback forms for set reps to fill out.

#### **5. Boat Cruise**
