→ Lots of Insider Information

- ➔ Depending on group size, Sara can give you one on one help
- ➔ How to personalize your resume
- October 27th, is the new date for the Aerospace Industry Days for 2016
- BC Aviation Council is having an Industry Night – January 27th Downtown at the Lions Pub. Youth mixer from 6pm on. You have to register if you would like to go.

4.5 New structure to classes (AME 'M')

- Classes starting 323 and 324 they will just have morning classes and not evening classes without a vote
- If it shows to be successful then they will permanently implement this new schedule
- 2 teachers will switch back and forth in between lecture and lab
- Question: Will the school be getting more helicopters?

4.6 Use of freight elevators

- Students are using the elevator without permission to go up and down
- The elevators are NOT to be used without permission

4.7 Acquisition of new pool table

- Finally the school is getting a new pool table as of Friday! There are now two pool tables in the cafeteria.

4.8 Round Table

- Students are inquiring about helping/watching the CRJ 200
- Microwaves aren't working. There are currently 3 out of 6 that aren't working.
- In the cafeteria ➔ they are charging 0.25 for plastic cutlery. Navin will look into getting these charges decreased.
