2. Career Services Update

Hatinder Hari, BCITSA Career Specialist, gives a brief overview of upcoming Career Services activities.

- Expanded time for the March 9th Engineering and Trades Industry Day.
- Preparation workshop for industry days.
- Career Speaker Series.
- Co-ed self-defense class coming up.

3. New Business

3.1. SA Media Incident

Dylan Smith gives a brief recap of the voyeurism incident

- Why wasn't his picture released
- Why weren't students notified sooner

We're working on communicating with BCIT on how to better inform students of similar incidents and also prevent future issues.

4. **Old Business**

4.1. Water fountains

SW1 water fountains were shut down in order to address plumbing issues. They will be turned back on in a few months, and they will be replaced with filling stations.

4.2. ABT program: AV services

Man wears microphone.

5. **Open Forum**

SW1 there's a screen where you can book study rooms, but it doesn't work.

I can ask if Greg Parr about this

Need garbage can – SW1 outside 255 intersections.

Request new one.

March 1st Zero – Waste event contact _____

Issues with broken chairs. Might be a better channel to talk to internal staff.

Leak in hallway outside that area.
