

BMC Set Rep Meeting Minutes

Thursday, Mar. 24, 2016

Time: 4:30 – 5:30

Location: BMC Room 231

Chair: Justin Deddens

Set reps attending: Josh McIntyre, Jashan Bains

1. **Meeting Called to Order**

2. **Old Business**

- 2.1. Satellite Representation – Bylaws for new satellite councilor position have been approved. Students were encouraged to apply for the position once it opens.

3. **New Business**

- 3.1. Summer BBQ (late May?) – Sea Shanty club to host bbq with SA. Date TBC.
3.2. Tax returns – Students notified of tax clinic at Burnaby campus

4. **Round Table**

BMC Sea Shanty Club – Can become a club for all of BMC and incorporate other events.

Ping-Pong – more ping-pong balls needed

Industry Trips – Opportunity is available to visit industry companies under supervision of an instructor, but this is currently unorganized. This is a great opportunity for students but should be structured in a way that gives students more opportunity to attend.

Curriculum change in fourth year – Concerns that some courses are no longer offered, and anyone who fails cannot take that course to make it up. This would result in the “old group” of students not being able to graduate. Josh plans to write a letter on behalf of the class.

5. **Next Meeting:** April 21, 2016 @ 4:30pm

6. **Meeting Adjourned**
