**Meeting Called to Order**

The Chair, Sungwoo, calls the meeting to order at 3:00 pm.

**1. Bring the Energy!**

- This is a virtual networking challenge for the School of Energy to bring students together, especially for first year students.
- Registration will be open until January 29<sup>th</sup>.

**2. Virtual Networking Events**

- There is a virtual networking event taking place at 4:00 pm today and a construction and engineering career fair on February 3 at 2:30 pm to 6:30pm.

**3. Open Forum**

- The integrity advocate widget in D2L has been added to courses in the Electrical Engineering program this semester and it seems a bit invasive as it requires webcam access. Instructors found the widget and turned it on without informing students of the change. What are students' rights here?
  - Bring your concerns to the instructors first, then to the program head/associate dean if they are not responsive.
  - Many universities are using this type of software already.
  - If you do not feel comfortable reaching out to the program head/associate dean yourself, please contact Gurleen and she can assist with the conversation.

**4. Reminders**

**a. Next Meeting: TBD on Microsoft Teams – early April**

**b. Virtual Networking Event at 4:00 pm**

**c. U-Pass Refunds (if eligible)**

**5. Meeting Adjournment**

The meeting was adjourned at 3:30 pm.
