

KEY INFORMATION FOR STUDENTS

WHAT BCITSA WELLNESS ADVOCATES DO

The BCITSA Wellness Advocates support students while they are at BCIT. They defend the rights of students by promoting mutual respect and procedural fairness as students navigate through BCIT Policies & Procedures when dealing with issues, concerns or conflict.

HOW THE WELLNESS ADVOCATES HELP YOU

The BCITSA Wellness Advocates provide free, confidential resources, guidance, referrals and support to students who may have any concerns and/or complaints or are experiencing any form of conflict while at BCIT. Wellness Advocates provide support services to students by:

- listening to their concerns using a trauma-informed approach
- helping them navigate the Policies & Procedures
- providing them with objective, unbiased information
- attending meetings between students and staff/faculty
- editing written statements
- ensuring issues are heard and addressed
- promoting wellbeing and personal/academic success

It is the responsibility of all students to familiarize themselves with BCIT Policies & Procedures.
