

Faculty Information

The Set Rep program is a forum for students to connect, provide input, and advocate for student concerns. We greatly appreciate your help in organizing Set Rep elections in the classroom!

What does a Set Rep do?

Within their set, the Set Rep is the shepherd that brings their class together to form a community and build friendships. Outside the set, they are the voice of their peers and represent their classmates in the larger BCIT community.

A Set Rep is someone who wants to give back to their peers, so that student life at BCIT can be enhanced.

Recommended Actions:

- Invite a student Executive to share a 5-minute speech to the set, explaining the program and how to register.
- Organize a Set Rep election.
- Direct your students to our website bcitsa.ca for more information about the program.

How to Elect a Set Rep:

1. Ask for volunteers or nominations.
2. The set can vote, if more than one student volunteer, through show of hands or secret ballot.
3. The chosen Set Rep must register on our website, [linked here](#).

Thank you for your help in enhancing student life at BCIT!
