|---|--|---|
| 3 | Work with SA Events & Program Manager in creating monthly events at the ATC.   | Four out of the following eight months have events scheduled, with one month double booked. Request has been sent for the creation of an additional event in November. Request has been sent for clearing the double booked month to single event. Service and Engagement Coordinator and I are in the process of finalizing plans for two additional events. Last event still open |
| 4 | Work with SA Marketing Communications Manager in the designs and strategy for the creation of Student and Alumni friendly website. In which through photo's & comments, their achievements & life travels can be expressed to inspire new students and individuals in the community. Note: ties created in objective with BCIT Alumni Association will hopefully be an asset for Objective with priority 5.  | Working on strategic plan for presentation to SA Marketing Communication Manager.   |
| 5 | Construct an information package in which my successor if willing brings students to the workplace In exchange companies will have access to ATC students, post information to students and student volunteers. Bringing the workplace (companies) to ATC will not only create income but allow students to network and soak them in the industry. Specific task will depend on company needs. But allow companies to speak to students, post information at ATC, free labour. | Re-evaluating objective.  |
